Dear Lauren,

This letter confirms that:

1. **Ben Ross Public School Academy**, (the "School"), is a member of the EdisonLearning E-Rate Consortium (the "Consortium"), Billed Entity Number 232670;
2. the School has designated the Consortium as our fully authorized agent for the purposes of requesting E-Rate discounts on all eligibly telecommunications services, basic maintenance of internal connections, Internet access, and internal connections for Funding Year 2010;
3. the School authorizes the Consortium to submit, as applicable, on our behalf all E-rate related forms, including but not limited to Form 471;
4. the Consortium, its agents and representatives, are authorized to answer inquiries from the SLD and/or FCC and to submit appeals, if necessary on the School's behalf;
5. the School is a public K-12 institution that does not have endowments exceeding \$50 million;
6. the school is covered by technology plans that are written and have been or will be approved by the state's Department of Education or a certified technology plan approver, prior to commencement of service.

Sincerely,
